Bozrah Farmers Market

July – October
4–7 pm every Friday
in Bozrah, Connecticut

The market will be held July through October, every Friday from 4–7pm, at Maples Farm Park located at 45 Bozrah Street. Maples Farm Park consists of 35 acres and the Maples Farm Homestead. This location provides a beautiful pastoral setting which is just perfect for the market.

The Bozrah Farmers Market is able to provide its residents and those in surrounding communities with the opportunity to buy fresh locally grown CT Grown and CT Made products. It's a great way for people to know where their food is coming from while being able to talk with the person who produced it.

Market Items

The vendors at the Bozrah Farmers Market will be selling such items as veggies, flowers, herbs, honey, fruits, goat cheese, milk, yogurt, soap, plants, coffee, baked goods, gourds, marinated mushrooms, kettle corn, italian ice, jelly, jams and eggs to name a few.

In addition to the producers the market will also feature local artists. Such products will include homemade soaps, candles, pottery, fiber products, hand crafted art, and much more.

The market is at the convenient time for you to stop by after work to get something for dinner or get ready for the weekend. And if you don't feel like making dinner, come graze and buy everything you need to have a wonderful picnic and enjoy at one of our picnic tables under the shade trees.

In addition to all the market has to offer every week, we will also have special guest vendors throughout the market season.
